Webdata Insurance Website & Data Insurance (webdi)

Website Rearrangement/ Repair Insurance & Technical Support for one year of Unlimited Web Maintenance!

- We will download your website and keep it for security. Then we will need your website control panel address link, the username and password. You will have to tell us or allow us monitor your upgrade so we can update your website we downloaded. The website insurance is inactive until payment of 3/4 of the amount for those of 100,000 to 250,000 and 1/2 for those over 500,000.
- Data Insurance also exists for your data security; this is uploaded so, in event of data loss you could retrieve it from us. The Hosting charges are the same as website.
- Webdata Insurance is saving money in banks and data in more than one host for data or system lost or system and data change.
